## End of the year!

It really doesn't seem possible but the end of another academic year is in sight.

I hardly need mention that it has been an extremely busy year and a lot has happened. We still have a very busy final week ahead of us but there are some wonderful events to look forward to; several of which we would love to see you attend if at all possible. As usual none of these could take place without the help of our amazing staff, so I would like to publicly express my thanks to them!

## Monday 17th July

In the afternoon the children and staff will enjoy watching the 'New Close has Talent' competition. This was introduced by Mr Tzen and was a great hit with everyone. **From this event, we will be hoping to raise money for Sapphire House's charity, Cancer Research, so please send in your donations for this excellent cause.**

Auditions have been held within classes and the children have voted for their favourite two acts. These acts will perform in the final and independent judges from our Governors will decide on the winners.

After school on Monday we have our final Parents' Evening of the year. This will give you the opportunity, should you wish, to speak with your child's teacher and look at their work. If you would like to attend please make an appointment via the Office.

## Tuesday 18th July

This is the night of the Year 6 Prom. The children (and many parents) look forward to this and it can be quite emotional seeing everyone in their finery.

The Prom always has a theme which we try to keep secret from them so they have a lovely surprise when they enter the building. There is a disco, food and plenty of laughter!

## Wednesday 19th July

Meerkat Class will be visiting Old Wardour castle where they inform me they will be rescuing a princess who has written to them asking for help!!!

In the evening we will be hosting two discos—the first for KS1 pupils and the later one for KS2.

Please contact the Office if you haven't returned the permission form and would like another one.

### Thursday 20th July

This is the last day of term. We usually hold our Y6 Leavers' Assembly at the end of the day but this year it will be at 09:15. All Y6 parents are welcome to attend. At the end of the day, all children who will be leaving the school walk through an avenue to people who clap and cheer. We would love to see as many of you as possible joining us with this tradition.

The first day of the new academic year for the children will be

**Monday 4th September, 2017.**

**Enjoy your summer!!**

### FREE and SUBSIDISED COOL MILK

A reminder to all parents/guardians that school is able to provide free milk each day to all children under five and to those children entitled to statutory free school meals. Milk can also be provided to children aged five or over at a subsidised cost.
