Races

Last Friday afternoon we were able to hold the track events that had been postponed from the original Sports Day.

It was wonderful to see so many family members at school cheer on the children.

I know that everyone had a great time and I would like to thank all of the staff involved in organising this event.

EMERALD HOUSE CHARITY DAY

On Friday 16th June, Emerald house held their annual charity day. This year the children had voted to support the World Wildlife Fund (WWF). All the children in school were invited to come to school dressed as an animal, or to bring an animal soft toy, with their donation.

A grand total of £75.30 was raised, which has been sent to this worthy charity.

Braeside Residential

Our Year 6 pupils went on their Residential to Braeside and had a wonderful time. Chloe and Erin have written this brief report to share with you:

‘At Braeside we all had an AMAZING time getting soaked through. My favourite part of Braeside was when we went canoeing. Most of us jumped out of the canoes and some of us went into the mud. We had a fight with water and I was used as a demonstration. Even though we were drenched we still had a great time!’

I know the children would like me to thank the staff who accompanied them, so many thanks to Mrs Walker, Mrs Parker and Mr Tzen.

Planting in the Park

On Friday morning Mr Tzen is due to take a party of children from New Close to the town park to participate in the planting programme. I know that the colour scheme has been carefully planned and a lot of thought has gone into the design.

I look forward to telling you more about it in next week's newsletter but in the meantime why not pay a visit to the park to see what the children have done.
