Dear Parent/Carer

The school has been given the opportunity to take part in a project that will run jointly between schools and Wiltshire Police: ENCOMPASS. This is where the Police will report to schools, by the next school day, when a child or a young person has been affected by a domestic abuse incident.

ENCOMPASS will ensure that I, as the Safeguarding Lead for New Close, receive pertinent information in confidence, so that the school is able to make provision for possible difficulties experienced by children or their families who have been involved in, affected by, or exposed to domestic abuse incidents.

We will be participating in the project because we are keen to offer the best support possible to our pupils and we believe this will be extremely beneficial for all those involved and will be a further extension to our duty to provide safeguarding to all of our pupils.

Yours sincerely,

Miss Jane Brown  
Headteacher
